7/19/21

Maybe running down the hill thinking about
pizza got me in my feelings, but I'm dedicating
this fit at Partnership Shelter to my partner and my love.
This one's for you Freckles in the Front Country.

"Before you came along my skies
were often dark and cloudy,
But the atmosphere is clear now that you're here.
Now I've heard my whole life,
Home is where the heart is,
But I can not feel at home if you're not near..

Let ~~the~~ the colors of your soul spill out,
For everyone to see.

In a world of black and white and grey,
You paint something beautiful everyday.
I can't think of a better way,
To spend the time I have,
So I'll spend it with you..."

- TAW

To all others, I hope that you find
someone to whom you can fully give your heart,
and that they will accept it humbly as a cherished
and undeserved treasure; that you may pour into their
cup so that it overflows and showers you both in
all its wonder, and that all will be reciprocated.

Love you lots
May Doughty to Marion.

5/19 Ran 10 miles in 4 $\frac{1}{2}$ hrs which is good for me!

Do you think when bears climb trees the trees ever break?

Pizza was great tonight excited to sleep with some alpacas tomorrow night!

- Lemon

5/19 I must have made it to heaven.

There is warm cheese and soft bubbles of root beer on my lips.

In my left fried green beans and my right salad greens.
Who am I?

I don't deserve this.

My tummy is full and my heart happy.

After much anticipation I have made it,
to pizza heaven!

Tomorrow Alpacas will greet me as I sleep.
Life is good.

The lack of shelter books around Roan Mountain got me out of practice.

Lowlights: the last 2 days have been incredibly fatiguing and filled with self-doubt about my body's abilities. I call them the Days of Darkness.

Highlights: this shelter is truly something, and a trail angel is about to give me some much-needed respite.

However, I am very hungry and plan to go on from here to get to town and have SUBWAY! Then I get to see my big sister! I hope everyone is feeling happy and at peace today! If not, just remember that there is a large group of people out there who refer to Katahdin as "Katahdin". That always makes me smile. Okay time to start on to feed Glenous food. Licks of all kinds, McDonald's, on top, Ben & Jerry's, and Little Debbie's out the wazoo. My sister will be frightened. She doesn't know who she's messing with.

Best wishes

8/25/21 Medicine Man and Loco are lonely no more! We caught up AT SOBO to two amazing, beautiful Flip Floppers at lunch and we all ended up here for the best shelter party we've had since NJ! Sadly, we must press on and will never see them again... Such is the life of the Sub 100. Also, has anyone seen Discant?

8/26/21 So nice to meet medicine man and loco yesterday! Me and Kindle met them @ the gas station and we all had lunch together and camped here!! Sadly Kindle is going to pass me today b/c im taking a couple days off in Marion - Cam is coming to visit me on trail. Hopefully i'll see her again.

9/12/21 15 mile day southbound. Started trip @ Rt. 42 headed
to Damascus, VA. This shelter is amazing!
- Sempai

9/16 Not sure which made my day more: meeting THE Jimmy,
shuttle driver pursuing a Guinness World record for most signatures
on his van, or a hypomaniac born-again Christian on a "prayer
walk" who evangelized to me for a good 15 minutes. Either
way, today was quite entertaining.

9/26 Stopping in for the Night after spending the day
in town resupplying and visiting friends. So glad we
got to see spirit today. I really hope our paths
cross again before Springer. The miles sadly seem to
be working quickly. Can't believe we are almost to
Damascus where Smokey will head home. Looking
forward to seeing Bam Bam though!

CHAPTER 1

10/2

BATMAN? NO. ANTMAN? NO. I'M TALKIN' ABOUT RATMAN. RATMAN IS BATMAN'S ARCH NEMESIS, EVEN MORE SO THAN 2-FACE AND THE JOKER. RATMAN'S SUPER POWERS INCLUDE THE ABILITY TO SMELL CHEESE AND HIKER FOOD FOR MILES, JOLTING SPEED, AND A CHOMP SO STRONG IT CAN PIERCE STEEL. RATMAN WAS RAISED BY A RAT SENSEI THAT WAS ALSO RESPONSIBLE FOR RAISING NINJA TURTLES. IT'S FAIR TO SAY, RATMAN WAS A NATURAL BORN KILLER. RATMAN WAS BORN IN A PILE OF MAGGOTS IN WESTERN EUROPE AND GREW UP IN A BROTHEL WHEN HE WAS IN RAT SCHOOL AS A MOUSE, THEIR CLASS TOOK A FIELD TRIP TO CHERNOBYL. THE TEACHER KNEW THE WALKWAY WAS SUSCEPTABLE TO SLIPS, BUT THEY WENT ANYWAYS. WHILE GANDERING AT A BLOWN UP NUCLEAR REACTOR, RATMAN SLIP ON A PIECE OF PLUTONIUM AND FELL INTO ONE OF THE GLOWING REACTORS. EVERYONE LEFT HIM FOR DEAD...

No matter, had a great dinner last night in Atkins. man what a difference hiking south in October VS hiking north in the spring 

makes. Reading all these earlier entries just ~~except~~ shows how much so. Here alone for the 3rd night in a row in a shelter. Oh well! Life on the trail is always different each & every time out here. Onward to the Grayson Highlands & the "friendliest town on the trail" Damascus soon. Can't wait ☺

1/15/2022 No new entries this year. Beautiful and
quiet day. For the locals, I killed Dickey's Knob - about
5 miles & 1000ft climb.

Blessings to all in this year, here is an old Celtic Prayer
for you all

God above me

God beneath me

God before me

God behind me

I, on God on your path

You on my way

Be with me by day

Be with me by night

Be with me by day and by night. Amen
